

**FOR IMMEDIATE RELEASE**

## **SALCON AND BERJAYA INFRASTRUCTURE TO JOINTLY UNDERTAKE WATER AND WASTEWATER INFRASTRUCTURE PROJECTS**

---

**KUALA LUMPUR, 7 JANUARY 2022** – Salcon Berhad is poised to start the year on a positive note with the signing of a Memorandum of Understanding (“MOU”) through its subsidiary, Salcon Engineering Berhad (“SEB”) with Berjaya Infrastructure Sdn Bhd (“BISB”), an investment holding company which is involved in the operations, maintenance and management of water treatment plants and the supply of potable water to the concession areas in Perak and Kedah as well as overseas in Indonesia and China.

The signing of the MOU between SEB, represented by its Chief Operating Officer, Jamiluddin Amini Sulaiman and BISB, represented by its Chairman, Dato’ Richard Curtis, was witnessed by Tan Sri Dato’ Seri Vincent Tan, Founder and Chairman of Berjaya Corporation Berhad and Tan Sri Dato’ Tee Tiam Lee, Executive Deputy Chairman of Salcon Berhad.

Both parties will jointly collaborate their resources to undertake selected infrastructure project(s) within and outside Malaysia with effect from the date of the MOU.

Dato’ Richard Curtis, Chairman of BISB said, “BISB’s extensive infrastructure experience and strong financial structure combined with Salcon’s proven track record and experience in Malaysia and the region, will bring many synergistic benefits. This strategic partnership with Salcon will enable us to strengthen our capabilities and seize opportunities to meet critical needs in the water and wastewater sector.”

Jamiluddin Amini Sulaiman, Chief Operating Officer of SEB said, “We are delighted to partner with BISB and the complementary nature of the partnership will enable us to bring our expertise and innovative solutions and services to our clients.”

- END -

### **About Salcon Berhad (“Salcon”)**
