Dear Sir/Madam,

### **PROPOSED RENEWAL OF AUTHORITY FOR SHARE BUY-BACK**

---

#### **1. INTRODUCTION**

On 4 April 2018, the Board announced to Bursa Securities that the Company intends to seek shareholders' approval for the Proposed Renewal at the Fifteenth AGM.

The purpose of this Statement is to provide you with information in relation to the Proposed Renewal and to seek your approval on the ordinary resolution pertaining to the Proposed Renewal to be tabled at the forthcoming AGM of the Company. The Notice of the Fifteenth AGM and the Form of Proxy are enclosed in the Annual Report 2017, despatched to you together with this Statement.

**SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL AT THE FORTHCOMING AGM.**

#### **2. DETAILS OF THE PROPOSED RENEWAL**

At the last AGM held on 14 June 2017, the Company had obtained its shareholders' approval to purchase up to ten percent (10%) of the total number of issued shares of the Company and the aforesaid approval will expire at the conclusion of the Fifteenth AGM of the Company unless the approval is renewed.

The Company proposes to seek approval from its shareholders at the Fifteenth AGM for the renewal of authority for the proposed purchase of the Company's own shares of up to ten percent (10%) of the total number of issued shares of the Company, subject to compliance with the provisions of the Act, the Listing Requirements and/or any other relevant authorities.

As at LPD, the Company had purchased a total of 4,080,062 Shares which were retained as Treasury Shares. The issued share capital of the Company as at LPD before adjusting for the Treasury Shares held is RM338,847,226.00 comprising 677,694,452 Salcon Shares.

The Proposed Renewal shall be effective immediately upon the passing of the ordinary resolution to be tabled at the Fifteenth AGM of the Company to be convened and will continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the Fifteenth AGM at which the ordinary resolution for the Proposed Renewal was passed, at which time the authority shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM of the Company after the Fifteenth AGM is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company at a general meeting,

whichever occurs first, but shall not prejudice the completion of purchase(s) by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the Act and Listing Requirements.

### **3. QUANTUM**

The maximum number of Salcon Shares which may be purchased by the Company shall not exceed ten percent (10%) of the total number of issued shares of the Company in compliance with Paragraph 12.09 of the Listing Requirements.

However, the actual number of Salcon Shares to be purchased by the Company pursuant to the Proposed Renewal, the total amount of funds involved for each purchase(s) and the time of the purchase(s) will depend on *inter alia*, the market conditions and sentiments of the stock market, the availability of financial resources of the Company and the availability of the retained profits of the Company.

### **4. MAXIMUM AMOUNT OF FUNDS TO BE ALLOCATED AND SOURCE OF FUNDS**

The funding for the purchase of Salcon Shares pursuant to the Proposed Renewal will be from internally generated funds and/or borrowings or a combination of both, the proportion of which will depend on the actual number of Salcon Shares to be purchased, the price(s) of the Shares, available funds at the time of purchase(s) and other relevant cost factors.

The maximum amount allocated for such transactions shall not exceed the aggregate balance standing in the retained profits of the Company.

Based on the latest Audited Financial Statements of the Company for the financial year ended 31 December 2017, the retained profits of the Company are RM77.49 million.

In the event the Company purchases its own shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment is not expected to have a material effect on the cash flow of the Company.

### **5. RATIONALE FOR THE PROPOSED RENEWAL**

The Proposed Renewal will enable the Company to utilise its financial resources not immediately required for use to purchase its own Shares from Bursa Securities. It may help to stabilise the supply and demand and price of its Shares traded on Bursa Securities, thereby supporting the fundamental value of the Shares.

The Salcon Shares purchased, whether to be held as Treasury Shares or subsequently cancelled, will effectively reduce the number of Shares carrying voting and participation rights. Therefore, the Proposed

Renewal may increase shareholders' value and to improve, *inter alia*, the return on equity of the Group. The purchase of Salcon Shares may result in an improvement to the consolidated EPS and/or NA per Share of the Group (given the decreased share base used for the computation of the EPS and NA), which in turn would benefit the Company and its shareholders.

The Purchased Shares can be held as Treasury Shares and resold on Bursa Securities at a higher price with the intention of realising potential gain without affecting the total issued share capital of the Company. Should any Treasury Shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

## **6. TREATMENT OF PURCHASED SHARES**

In accordance with Section 127 of the Act, the Board may, at its discretion, deal with any Purchased Shares in the following manners:-

- (a) To cancel the Purchased Shares;
- (b) To retain the Purchased Shares as Treasury Shares for distribution as shares dividends to the Shareholders of the Company, which then may be applied as a reduction of the retained earnings of the Company, and/or resell on market of Bursa Securities in accordance with the relevant rules of Bursa Securities, and/or transfer for purposes of or under an employees' share scheme, and/or transfer as purchase consideration, and/or cancel subsequently;
- (c) To retain part of the Purchased Shares as Treasury Shares and cancel the remainder; or
- (d) In any other manners as may be prescribed by all applicable laws and/or regulations and guidelines applied from time to time by Bursa Securities and/or relevant authority for the time being in force.

Section 127(8) of the Act states that the holder of Treasury Shares which are held under Section 127(5) of the Act shall not confer:-

- (a) The right to attend or vote at meetings and any purported exercise of such rights is void; and
- (b) The right to receive dividends or other distribution, whether cash or otherwise, of the company's assets including any distribution of assets upon winding up of the company.

While the Purchased Shares are held as Treasury Shares, the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purpose including, without limiting the generality of Section 127(9) of the Act, the provisions of any law or requirements of the constitution of the Company or the listing requirements of a stock exchange on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

As at the date of this Statement, the Board has yet to decide on the treatment of the Shares so purchased and will take into consideration the effects of such treatment on the Company in arriving at its decision. An immediate announcement will be made to Bursa Securities upon each purchase, cancellation, resale and/or transfer of Shares pursuant to the Proposed Renewal.

## **7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL**

The potential advantages of the Proposed Renewal to the Company and its shareholders are as follows:-

- (a) the Proposed Renewal will allow the Company to utilise its financial resources where there are no immediate use, to purchase the Salcon Shares. If the Salcon Shares purchased are held as Treasury Shares or cancelled immediately, this may improve the consolidated EPS of the Group;
- (b) the Proposed Renewal may also help to stabilise the supply and demand and price of Salcon

Shares traded on Bursa Securities and reduce the volatility of Salcon Share prices. The stability of Salcon Share prices is important to maintain investors' confidence to facilitate future fund raising exercises of the Company via the equity market;

- (c) the Proposed Renewal will provide the Company opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than the purchase prices; and
- (d) in the event the Treasury Shares are distributed as share dividends, it will serve to reward the shareholders of Salcon.

The potential disadvantages of the Proposed Renewal to the Company and its shareholders are as follows:-

- (a) the Proposed Renewal, if implemented, will reduce the financial resources of the Company;
- (b) the cash flow of the Company may be affected if the Company decides to utilise bank borrowings to finance the Proposed Renewal;
- (c) the funds allocated for the Proposed Renewal could be used for other better investment opportunities which may emerge in the future; and
- (d) as the funds to be allocated for the Proposed Renewal must be made wholly out of the retained profits of the Company, the amount available from this account for distribution of dividends to shareholders of the Company may decrease accordingly.

The Proposed Renewal, however, is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be exercised only after in-depth consideration of the financial resources of Salcon which need to be balanced against investment opportunities and other proposals that can enhance the value to its shareholders. The Board, in exercising any decision in implementing the Proposed Renewal, will be mindful of the interests of the Company and its shareholders.

## **8. EFFECTS OF THE PROPOSED RENEWAL**

The effects of the Proposed Renewal on the share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company are set out below:-

### **(a) Share Capital**

The effect of the Proposed Renewal on the issued share capital of the Company will depend on whether the Purchased Shares are cancelled or retained as Treasury Shares. On the assumption that the Proposed Renewal is carried out in full and all the Salcon Shares so acquired are subsequently cancelled, the Proposed Renewal will result in the total number of issued shares of the Company as at the LPD to be reduced as follows:

	<b>No. of Shares</b>
Issued share capital as at LPD (before adjusting for the Treasury Shares held)	677,694,452
Less: Maximum number of Salcon Shares that may be purchased and cancelled pursuant to the Proposed Renewal	(67,769,445)
Resultant issued share capital after cancellation of Salcon Shares purchased under the Proposed Renewal	<hr/> <hr/> 609,925,007

In the event that all the Salcon Shares so purchased are retained as Treasury Shares and not to be cancelled, the Proposed Renewal will not have any effect on the total number of issued shares of the Company.

**(b) Earnings**

The effects of the Proposed Renewal on the consolidated earnings and EPS of Salcon Group would depend on, *inter alia*, the number of Purchased Shares, the effective cost of funding as well as the interest income foregone in connection with funding such Purchased Shares. If the Purchased Shares are retained as Treasury Shares or cancelled subsequently, the number of shares applied in the computation of the EPS will be reduced, and this may improve the consolidated EPS of Salcon Group.

**(c) NA**

The consolidated NA of the Group may increase or decrease depending on the number of Salcon Shares purchased, the purchase price(s) of the Salcon Shares, the effective cost of funding and the treatment of the Salcon Shares purchased.

The Proposed Renewal will reduce the NA per Share when the purchase price exceeds the NA per Share at the time of purchase. On the contrary, the NA per Share will increase when the purchase price is less than the NA per Share at the time of purchase.

**(d) Working Capital**

The Proposed Renewal, as and when implemented, will reduce the working capital and cash flow of Salcon Group, the quantum of which depends on, among others, the number of Salcon Shares so purchased and the purchase price(s) of the Salcon Shares.

For Salcon Shares so purchased which are kept as Treasury Shares, upon their resale, the working capital and the cash flow of Salcon Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the Treasury Shares and the number of Treasury Shares resold.

**(e) Dividends**

Assuming the Proposed Renewal is implemented in full and the dividend quantum is maintained at historical levels, the Proposed Renewal will have the effect of increasing the dividend rate of the Company as a result of the suspension of the rights of Treasury Shares to dividend entitlement or the reduction in the total number of issued shares of the Company in the event of the Treasury Shares being cancelled.

The Proposed Renewal may reduce the cash available which may otherwise be used for dividend payments. Nonetheless, the Treasury Shares may be distributed as dividends to the shareholders of the Company, if the Company so decides.

**(f) Gearing**

The effect of the Proposed Renewal on the gearing of the Group will depend on the proportion of borrowings utilised to fund any purchase of Shares. The utilisation of any borrowings to fund the purchase of any Shares will increase the gearing of the Group.

**DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS**

## **9. PUBLIC SHAREHOLDING SPREAD**

The public shareholding spread of the Company as at the LPD and the resulting public shareholding spread of the Company, assuming the Company implements the Proposed Renewal in full, are as follows:-

	<b>As at the LPD<sup>@</sup></b>	<b>After the Proposed Renewal<sup>#</sup></b>

**Notes:**

@ Computation of public shareholding spread is based on total issued shares of Salcon excludes 4,080,062 Shares held by Salcon as Treasury Shares.

# Based on the assumption that the maximum number of Shares bought back by Salcon are up to 10% of the total number of issued shares of the Company.

The Board is mindful of the requirement to maintain the public shareholding spread of at least twenty-five percent (25%) of the total number of listed shares of the Company (excluding Treasury Shares) pursuant to Paragraph 8.02(1) of the Listing Requirements and will continue to be mindful of such requirement when making any purchase of Salcon Shares pursuant to the Proposed Renewal.

However, a waiver to undertake a mandatory offer may be granted by the SC under the Code, subject to the Affected Persons complying with certain conditions in the Code.

Based on the Register of Substantial Shareholders of the Company as at the LPD, there should be no implication with regard to the Code on the Company and its Substantial Shareholders arising from the Proposed Renewal in the event that the Proposed Renewal is implemented in full.

The Board is mindful of the requirement of the Code and will continue to be mindful of the requirement when making any purchase of the Salcon Shares pursuant to the Proposed Renewal.
